RE: NON-PARTICIPATING PROVIDER

DATE OF SERVICE: _____

PATIENT: _____

Thank you for scheduling your procedure at Biscayne Plaza Surgery Center, LLC. Your physician designed this facility with you in mind, and recommends treatment here to provide you with the highest level of patient care. We are proud to serve you and are committed to meeting your healthcare needs in a state of the art environment, with a first rate staff and excellence in patient satisfaction.

Although Biscayne Plaza Surgery Center, LLC is not currently a participating provider with your Insurance Plan, we strive to give our patients the best possible value for their health care dollar. While we cannot waive the patient responsibility required by your health plan, we are able to extend a significant discount on the cost of care. Our discount program allows us to provide access to superior quality to all patients in the community, regardless of insurance type, at a cost-effective rate for you, your family and your health plan.

A member of our staff will call you prior to surgery to discuss pre-operative orders and your insurance coverage. Since we are unable to determine the exact amount your insurance will cover prior to your procedure, we request a \$200.00 deposit (surgical) or a \$50.00 deposit (pain mgmt.) on the date of your surgery, which will be applied to your total amount due. Once the claim has been processed by your insurance carrier, we will send you a bill for any remaining amount, which will be discounted by 80% if promptly paid. Our pricing is competitive, and the total out of pocket expenses will be approximately the same, or less than what you would pay at another facility.

We will submit a claim to your insurance company on your behalf, and it is possible that the insurance payment for your visit will be sent directly to you. We ask that you please endorse the check over to the facility, and mail it, along with your Explanation of Benefits. Compliance with this request will allow us to process the payment to your account quickly and efficiently, and make any necessary adjustments.

If you have any questions or concerns, please do not hesitate to call our billing office at 877-760-9863 between the hours of 9:00 – 5:00 Mon-Fri.

We look forward to serving you, and appreciate being your preferred choice for surgical care.
